UNI-T

Power Supply

- Charging UT-M20
- Charging Mobile Devices

Safety

- Short Circuit Protecion
- Input Overvoltage Protection

Indicator Lights

- LED Lights Flashing--Being Charged
- All LED Lights On--Fully Charged

Two-way Transmission

- Charging Interface: USB-C
- Discharging Interface: USB-A

Battery Compatibility	UT-M20
Input/Output Specification	5V~2A
Maximum Charging Current	2.5A
Overcurrent Protection Value	2A~5A
Input Overvoltage Protection	√
Short Circuit Protection	√
Charging Interface	USB-C
Discharging Interface	USB-A
Charging Time	<4 hrs (single battery)

FC CE UK CA
